

Michael Moynagh is a pastor, author and leader in the Fresh Expressions movement in the United Kingdom. Fresh Expressions is about the Mission Shaped Church and encourages and resources new ways of

being church while working with Christians from a broad range of denominations and traditions. The movement has its roots in England and has more recently found energy in the United States. The result has been many new congregations being formed alongside more traditional churches.

We are privileged to have joined together with Shenango Presbytery to host Dr. Moynagh. I am excited to invite you to attend and discover new possibilities for your church and ministry.

The one day conference will be held at Calvin Presbyterian Church in Zelenople on Wednesday, September 25th from 10:30 am until 3:30 pm. Contact the presbytery office and let them know how many will be coming from your church. Call soon; with both presbyteries participating we may need to limit registration.

Please let the office know (office@beaverbutler.org or 724-452-7515) if you would like to order you a box lunch (cost \$5.50) or if you prefer to bring a bag lunch.
