

Each year, Shenango Presbytery offers scholarships for students attending Westminster and Grove City Colleges. The *Shenango Presbytery Scholarship Fund* is primarily supported by designated gifts from the congregations of the presbytery, as well as individuals. The fund is intended to assist students who are members of the PC(USA) with preference given to applicants who belong to churches in Shenango Presbytery.

Please consider giving generously to the scholarship fund.

We are blessed to have these two institutions within our bounds, and we know that they continue to turn out graduates who are great contributors to their communities.

To give to the presbytery's scholarship fund, simply write a check to the Presbytery of Shenango and make a note in the memo that it is for the scholarship fund. Donations can be mailed to:

The Presbytery of Shenango
4197 New Castle Road
Pulaski, PA 16143

Thank you for supporting our students with your gifts and your prayers!
