December 4, 2013

Dear Pastors and Clerks:

I am writing as the Chairperson for the committee within the Presbytery, which is responsible for finding a young person who will serve as Youth Advisory Delegate for us at the 2014 meeting of the General Assembly.

As a leader with the young people at your church you can sense who may be a good candidate to refer to our search committee.

We are looking for persons who have a joy for the Lord and the church. They should be eager to share what they know and believe and open to listen to others as they share their expression of the Faith. The General Assembly takes seriously the voices and perceptions of the Youth Advisory delegates.

The 221st General Assembly will meet from June 14 - 21, 2014 in Detroit, Michigan. The General Assembly has a time of orientation to prepare the young people for what they will experience.

Would you kindly think about a potential candidate, discuss it with the person and have them submit an application to our committee. Our deadline is December 20, 2013.

Sincerely,

Rev. Bill McGary, Moderator
Youth Delegate Committee
